

ACPE Curious Orienteers CoP Survey

Please complete both types of survey questions, reflecting briefly on each open question regarding the changing of the ACPE structure and ethos. The survey has 22 questions and takes about 10 minutes to complete. When you're done hit "submit." Results will be made available to you at a later time.

The survey will remain open for two weeks, closing on August 8, 2022. Please DO NOT fill it out more than once. Thank you for completing this questionnaire in a timely manner and thus making a contribution to the ongoing quality improvement of the clinical ministry movement.

1. Name (optional)

Your answer

2. I am an ACPE Certified Educator

Yes

No

3. Certified in the:

Old Certification Process

New Certification Process

Some of Both

4. I have supervised at least one CPE group (or a CEC) in the past 3 years

Yes

No

5. Age

25-35

35-44

45-54

55-64

65 and up

6. Gender

Male

Female

Non-binary

Prefer not to say

7. In what ways has centralization (changing from nine ACPE regions to one national organizational structure) impacted the ACPE's essential work and value? Explain as fully as you like. Suggest further changes you would like to see made, if any.

Your answer

8. Overall, how has centralization impacted your relationship and communication as an educator with the ACPE executive leaders and office staff?

Positively

Neutrally

Negatively

N/A

9. How has centralization impacted financial clarity, efficiency, and allocation of funds for the best work of the clinical ministry movement?

Positively
Neutrally
Negatively
N/A

10. How has centralization, including a wide variety of new and innovative member-led Communities of Practice, impacted your managing of your own continuing education responsibility for ongoing professional development?

Positively
Neutrally
Negatively
N/A

11. How has centralization, including a diverse array of member-led Communities of Practice, impacted your colleague relationships?

Positively
Neutrally
Negatively
N/A

12. How has centralization impacted your personal and professional wellbeing?

Positively
Neutrally
Negatively
N/A

13. How does the changed format, style, and conveyed ethos of the ACPE Newsletter serve you as an educator? How could it be further improved?

Your answer

14. How have the changes/developments of the ACPE.edu website impacted your work?

Positively
Neutrally
Negatively
N/A

15. If you have begun initial accreditation of an ACPE program in recent years, how have the major changes in the accreditation process impacted your efforts? Skip if not applicable to you.

Made it easier and more educational/instructional
Neither helped nor hindered it
Made it more complex and difficult
N/A

16. Everyone: How have the major changes in the accreditation process impacted your carrying out your record-keeping and other ongoing accreditation/re-accreditation responsibilities?

Made it more organized and easier to keep up to date
Neither improved nor impeded it
Made it more complex and difficult
N/A

17. Certification committee/commission members: How many years (if any) have you served on the ACPE Certification Commission or regional certification committee in the old and/or new certification process, or both. Designate years and identify what is improved or works better. Identify what you see was lost and/or gained in the certification process changes. Explain as fully as you like. Skip if not relevant.

Your answer

18. Supervisory CPE educators: About how many years (if any) have you been involved in supervising CECs (certified educator candidates) as primary educator or in a training group? Assess the differences between the old and the new processes, as you see them, as fully as you like. Skip if not relevant.

Your answer

19. Everyone - Overall how has changing certification from the "old process" to the "new process" impacted the certification function of the ACPE? (authorizing quality clinical educators to conduct accredited programs of the ACPE)?

Positively

Neutrally

Negatively

N/A

20. How well do you think the new competencies for certification replace the old ACPE standards?

Quite well

Not well at all

N/A

21. It is important to have a Certified Educator in the ACPE National Office:

Agree

Disagree

Not Sure

22. What do you think have been the benefits and limitations of the ACPE operating under executive leaders who are not certified clinical educators. Explain as fully and specifically as you like.

Your answer
